

**OAKVILLE
READY**

Ready to weather any storm

OakvilleReady for extreme weather

As a community, we have the responsibility to honour, care for and respect all the Creation gives to provide us with life. This includes the land, water, air, fire, animals, plants and our ancestors.

The Anishinabek Peoples have utilized this land for millennia and we would like to acknowledge their direct descendants, the Mississauga's of the Credit First Nation, as the rightful caretakers and titleholders of this land upon which we live, work and conduct ourselves. We acknowledge our treaty relationship and responsibilities to both the land and these original peoples.

We also recognize that this land is rich in pre-contact history and customs, which includes the Anishinabek and Haudenosaunee and since European contact, has and continues to become home for Indigenous and non-Indigenous peoples. And it is in the spirit and intent of the Dish With One Spoon, wampum agreement whereby we will collectively care for and respect the land, water, animals and each other in the interests of peace and friendship and for the benefit of not only ourselves but of our future descendants.

What is Oakville Ready?
