A top-down photograph of gardening tools and soil. A silver trowel with a wooden handle lies on the left. A small green seedling with five leaves sits in the center. To the right is a small, empty, light-colored ceramic pot. Further right is a larger, empty, light-colored ceramic pot. A silver forked tool with a wooden handle is on the right. The background is dark brown soil, with a piece of light-colored burlap fabric draped over the top right.

**OAKVILLE  
READY**

Ready to weather any storm

OakvilleReady here to support our community

As a community, we have the responsibility to honour, care for and respect all the Creation gives to provide us with life. This includes the land, water, air, fire, animals, plants and our ancestors.

The Anishinabek Peoples have utilized this land for millennia and we would like to acknowledge their direct descendants, the Mississauga's of the Credit First Nation, as the rightful caretakers and titleholders of this land upon which we live, work and conduct ourselves. We acknowledge our treaty relationship and responsibilities to both the land and these original peoples.

We also recognize that this land is rich in pre-contact history and customs, which includes the Anishinabek and Haudenosaunee and since European contact, has and continues to become home for Indigenous and non-Indigenous peoples. And it is in the spirit and intent of the Dish With One Spoon, wampum agreement whereby we will collectively care for and respect the land, water, animals and each other in the interests of peace and friendship and for the benefit of not only ourselves but of our future descendants.

# What is Oakville Ready?

Funded by the Oakville Community Foundation to establish 6 faith-based organizations to act as neighbourhood hubs in instances of extreme weather – flooding, high winds, power outage and fires.

## Neighbours helping Neighbours

- engage diverse community stakeholders to increase their personal resiliency,
- Increase community capacity and resiliency
- to understand how community can work together during extreme weather events.

# Why do we need OakvilleReady?

Rise in the frequency of emergencies including extreme weather, fires, floods, power outages, freezing rain, etc.

After an event, the first 1 – 4 hours are an important time to help the community

Community resilience through building strong connections with FBOs and residents
